Illinois Safety Council New Member Benefits!
Give your organization the "ISC SAFETY ADVANTAGE"
Safety Since 1925

Your membership with the Illinois Safety Council is important. Why? Because safety does matter! The Illinois Safety Council wants to be your organization's first choice for safety services. The Illinois Safety Council can provide you on-site training and consulting services for the safety needs you have. These resources are designed to give your organization the ISC SAFETY ADVANTAGE:

THE ISC SAFETY ADVANTAGE

- 1) The ISC will assist you in keeping your employees safe and injury free
- 2) We have the resources for your organization to stay OSHA compliant
- 3) Eliminate the costs of injuries, increase production and add revenue to the bottom line

NEW "On-site Emergency Response Planning Guide"

Before an incident your organization needs to have emergency/disaster plans in place. The ISC "Guide" comes with easy to follow software that as you complete the questions you develop your own emergency response for your facility. Planning will keep your employees and facilities safe during emergencies. Need more help? The author of the "Guide", Richard Vulpitta is on staff with the Illinois Safety Council and will be happy to assist you.

NEW "Illinois Safety Council Safety Associations"

The Illinois Safety Council is excited to report member companies of the Council will be able to take part in joining (without an additional membership fee) networking groups that will be called "Safety Associations". These "Safety Associations" will be industry driven and will provide your safety department and human resource staff the following:

- 1) Networking with the safety peers of your industry
- 2) "Round Table Discussions" to discuss your industries safety needs and solutions
- 3) Provide a forum to contribute to the safety of your industry or organization
- 4) Individual new recognition opportunities
- 5) Training for your industry or organization

NEW! Become a ISC "Registered On-site Emergency Planner"

The users of the "Illinois Safety Council On-site Emergency Planning Guide" are eligible to become "Registered Emergency Planners" through the Illinois Safety Council. Those registered will receive the ISC newsletter and emergency updates.
