

On-Site Emergency Planning, Responding and Recovery Seminar - 3 Locations

Naperville-Tuesday August 19th • Moline - Wednesday, August 20th • Decatur - Thursday, August 21
CEU's from the University of Illinois at Chicago

UIC School of Public Health
UI - Naperville -BIS
UI - Champagne/Urban

MISSION/PURPOSE: Emergency Response Plans are required by law. The Occupational Safety & Health Administration (OSHA) requires facilities with 10 or more employees to have a written emergency plan for workplace emergencies that are likely to occur. This seminar will provide to the attendees information, resources and considerations to better plan for emergencies. Organizations that are prepared have a better chance to survive an emergency or disaster. Questions? Contact (312) 372-9756.

TARGET AUDIENCE: Business, manufacturing, private/public utilities, local emergency planning agencies, fire/law enforcement agencies, school corporations, city, county, municipalities officials, construction companies and associations. Attendees will receive a copy of the "On-site Emergency Response Planning Guide"
